INSTRUCTIONS AND INFORMATION

- Consistent accuracy applies as a general rule.
- If a candidate answers a question twice and does not delete either, mark the FIRST attempt.
- If a candidate answers a question, crosses it out and does not re-do it, mark the deleted attempt.

Marks are awarded as per the guideline, and the following symbols are used:

- A – Accuracy
C.A – Continued Accuracy
S – Statement
R – Reason
S. R – Statement and Reason

INSTRUKSIES EN INLIGTING
